

1. Watch this video to set up your Chromebook to be able to type accents:

<https://www.youtube.com/watch?v=o7-OIMZXxM8>

2. Once you have followed the instructions on the video, use these shortcuts:

Shortcuts:

é (aigu) is apostrophe+letter

è (grave) is `+letter

ç (cédille) is ' + c

ë (tréma) is shift + ´ + letter

ê (circonflexe) is shift+6 +letter

ñ is shift + ~ + n

In order to type ~ or ´ , just hit the spacebar after hitting the appropriate key.

US International keyboard layout:
