How to Complete a Webquest

Today you will complete a Webquest, which is an activity that gives you an online research task with an end-goal in mind. Read these directions and tips in order to complete your Webquest correctly.

- In order to complete a Webquest, **follow the pages in order.**
- It is best to at least **skim** over each of the pages to learn what they are about before you begin the whole Webquest.
- Here is an **explanation of all of the different pages you will see**:
1. **Introduction**: This page will just give you an overview of what should be done for the assignment.
2. **La Tâche** (Task): This page will tell you what you will be doing for your Webquest.
3. **Le Processus** (Process): This page will tell you all of the steps that you will complete in order to do the Webquest.
4. **Les Ressources** (Resources): This page includes any resources and websites that you will need to complete the Webquest.
5. **L'Évaluation** (Evaluation): This page will tell you how your final product will be graded.
6. **La Conclusion** (Conclusion): This page wraps up the whole assignment.
