

Le Dictionnaire

You are about to go on a scavenger hunt using a bilingual dictionary to discover new and interesting information about the French language! Each of the following letters represent one letter from the French alphabet. Grab a dictionary from the shelf and flip through the pages to **find words that begin with 15 of the letters in French**. Then, give the abbreviation of the part of speech and the English definition. If the word is a noun, give the gender (masculine or feminine). Remember verbs will be in the infinitive form (the most basic form of a verb, e.g., to speak, to have, to write or, parler, avoir and écrire in French) in the dictionary.
