**Partie 1:** Imagine that you have the opportunity to interview a French high schooler over Skype. Develop at least eight questions that you would ask your French correspondent about French high schools. Write your questions in French using the vocabulary from this unit as well as our -er verbs vocabulary. Write four of your questions using the “est-ce que” format and four of them using inversion.

Ex: Est-ce que tu aimes les déjeuners de l’école?
Do you like school lunches?

**Partie 2:** Pair up with another member of the class and interview each other using the questions you developed. Pretend to be the French high schooler and answer the questions to the best of your ability. Record your interview on Wevideo and post it on your website.
